PETS ON CLUB PREMISES

- a) Only members may bring domestic pets onto the Club premises.
- b) Members are responsible for the discipline of their domestic pets.
- c) If pets cause a disturbance to any member, this must be brought to the attention of the Duty Manager at the earliest opportunity. If a member's dog(s) has / have built up a record of undisciplined behaviour on the Club premises, the owner will be informed and the offending animal may be barred from entering the Club premises in future.
- d) Management will deal with any disputes regarding pets. Their ruling on the dispute must be carried out immediately. A member who is not satisfied with the imposed corrective action may take the matter further by stating their case, in writing, to the Board.
- e) Owners are responsible for cleaning up and disposing of their pets' mess.
- f) The Club is not liable for any damage or injury caused by pets. The owner may be held liable for any costs incurred through damage or injury to persons, property or other animals.
- g) Dogs must be able to be identified by means of a disc or tag with the dog's particulars displayed (owners' name, dogs' name, etc.).
- h) Dogs are not allowed into the clubhouse and bar, nor around the clubhouse area.
- i) When dogs are walked away from the member's site, the dog shall be on a lead for easy control by the owner.
- j) The Club attempts to restrict the number of dogs at the Club during the period one-week before Christmas and one week after New Year's Day. During this period, the following rules will be applicable:
 - The Board will determine the relevant dates each year.
 - Members will be allowed to bring their dogs to the Club, but must first complete a request form, available from the office, stating that you intend bringing your dog to the Club and reminding you of the various existing Club by-laws relating to dogs.
 - By signing this form members will be committing themselves to abide by these rules.
 - Any dogs that have previously been identified as "problem" dogs will not be allowed on the premises during this period.
 - If any problems are experienced with dogs during this period, the existing disciplinary system will be followed and, if the complaint is justified, the owner will be asked to remove the dog from the premises.

DECLARATION:

I,, hereby inform the General Manager that I intend to bring my dog/s onto the Club premises. I fully understand and accept the Club By-laws relating to pets on the premises and I will adhere to the By-laws (Paragraph 19). I agree to abide by the decision following any disciplinary action brought against me, or my dog/s.
